

# Pacific Southwest District of the Church of the Brethren

Dr. Donald R. Booz, District Executive

June 25, 2010

Dear \_\_\_\_\_,

Peace be with you!

The time has come to renew your License for Ministry. As you know, once a year the NACC: Nurturing and Credentialing Committee and the Ministry Commission has each licensed minister and mentor team fill out separate progress reports as part of the license renewal process. Please fill out this form thoughtfully, completely, and prayerfully.

**Have the form back to us by August 9, 2010.**

This year we are going to renew all the licensees at the same time, in a wonderful celebration at District Conference. This will be a time when your ministry can be affirmed by the whole district and you can receive the blessings of the entire PSWD.

Your licensing renewal service will take place at District Conference, during Sunday Morning Worship, November 14, 2010 at Hillcrest in La Verne, California. Our District Executive, Don Booz, will be leading the service. Your congregation is receiving a letter asking them to free you from congregational responsibilities for that Sunday. If you have questions about your required attendance please do not hesitate to contact me. I look forward to this being a wonderful spiritual event that helps bind us together as the Body of Christ.

Also, please note that your church board, or council needs to reaffirm your licensing by September 20, 2010. The letter to your congregation will remind them of this requirement.

I want you to know that the Ministry Commission is excited about your ministry and your journey towards ordination. Please do not hesitate to contact me if we can be of any assistance.

Peace,

Pastor John Jackson
