

Pacific Southwest District of the Church of the Brethren

Dr. Donald R. Booz, District Executive

June 17, 2011

Dear _____,

Peace be with you!

Thank you for your efforts as a mentor this past year. The time has come to renew your licensee's License for Ministry. As you know, once a year the NACC: Nurturing and Credentialing Committee and the Ministry Commission has each licensed minister and mentor team fill out separate progress reports as part of the license renewal process. Please fill out this form thoughtfully, completely, and prayerfully.

Have the typewritten form back to us by August 5, 2011.

This year we are going to renew all the licensees at the same time, in a wonderful celebration at District Conference. This will be a time when the ministry of our licensees can be affirmed by the whole district and they can receive the blessings of the entire PSWD.

The licensing renewal service will take place at District Conference, during Sunday Morning Worship, November 13, 2011 at Hillcrest in La Verne, California. Our District Executive, Don Booz, will be leading the service. Your licensee's congregation is receiving a letter asking them to free the licensee from congregational responsibilities for that Sunday. We hope you will be able to attend too. If you have questions about attendance please do not hesitate to contact me. I look forward to this being a wonderful spiritual event that helps bind us together as the Body of Christ.

Also, please note that your licensee's church board, or council needs to reaffirm the license by September 9, 2011. The letter to the congregation will remind them of this requirement.

I want you to know that the Ministry Commission is excited about your ministry to our licensee's journey towards ordination. Please do not hesitate to contact me if we can be of any assistance.

Peace,

Pastor John Jackson
