

Registration is open at:
www.pswdcob.org/distconf

Pacific Southwest District Conference
“Together We’re Better” — November 11-13, 2011
at Hillcrest in La Verne, CA

Conference registration must be completed on the web. Also make your own lodging arrangements at one of the suggested hotels. Information about conference, registration portal, speakers, hotels, Business Book, ballot and other items can be found in the list at:

www.pswdcob.org/distconf

The registration process will allow you to register as a delegate, non-delegate adult, youth, or child. For each day of conference select meal events, dietary restrictions, and workshops. Cost information is provided next to each event with a fee. When you finish the first person, select “add another to group” and add family and friends. Pay by credit card, PayPal, or check. When you mail your check, include a printed copy of your registration so we credit your account. You will receive:

- by email: a summary of your registration and information on how to modify your registration later.
- by postal mail: a permission / medical release form for youth, elementary school and child-care activity registrants.

Call the district office with any technical questions at (909) 392-4054. If you do not have access to the internet to complete a registration,

- the district office has a computer available by appointment, or
- ask your local church for assistance registering on their computer.

Everyone, including delegates must register on-line. Church “delegate cards” simply let us know who is authorized to register as a delegate.

Registrations must be received by October 21 to avoid a \$25 per person, or \$50 per family late fee.

Russ Matteson, Program Committee Chair,
Russ@modcob.org (209) 523-1438
