Exhibits: Friday afternoon to Saturday evening, 11/11/2022 to 11/12/2022

"Together in Ministry / Juntos en el Ministerio" 1 Corinthians / 1 Corintios 12:4-27 – is the theme for the 2022 District Conference which will be held virtually & face-to-face at the beautiful University of La Verne campus in La Verne November 11-12, with virtual workshop sessions November 7, 8, & 12.

Attendees will have time to explore the exhibits from 5:00 to 9:00 p.m. on Friday, and from 8:00 a.m. to 7:30 p.m. on Saturday. A representative from your organization is welcome to be present at the exhibit during those times (this individual would need to register for conference). Conversation at the Exhibit is limited to break and meal times. The exhibit area will be available beginning at Noon on Friday, November 11 for setup. Exhibits need to be taken down following Saturday Worship on November 12 before 9:00 p.m. Abandoned Exhibits will be thrown out.

We are not accepting shipped exhibits. You must bring your exhibit with you, or ship it to your own representative. You or your representative are responsible for setup and removal. You are also welcome to provide an online video exhibit for those who will be attending the conference virtually. You can see last year's online video & web exhibits in "Reports from PSWD Institutions with Brethren Beginnings" & "Church of the Brethren Agencies of Annual Conference" at www.pswdcob.org/distconf/business-book

In the spirit of our theme 'Together in Ministry' we invite churches of the PSWD and Brethren agencies to highlight any ministry area that congregations would benefit from learning about in their display.

We wish to maximize our exhibit space and accommodate as many organizations as possible. The standard space will be a tabletop display that is 2' wide by 4' long (approximately half of an 8' banquet table.) Electricity and sale of goods will not be possible this year.

If your organization / church is interested in securing exhibit space at the 2022 PSW District Conference, the **Request for Exhibit Space** form must be mailed to the District Office, PO Box 760, Glendora CA 91740-0760 or emailed to Frontdesk@pswdcob.org by **September 15, 2022**.

We look forward to your reply.

Your or your representative must bring your exhibit.

This year, we cannot accept shipped exhibits at the District Office.

Pacific Southwest District of the Church of the Brethren
District Conference Guidelines
For Exhibit Space and Literature Distribution

PURPOSE: District Conference exhibits are primarily for the purpose of information and interpretation of District, denominational, and related agencies.

While District Conference is a forum bringing together Brethren with a variety of interest and opinions, it is not a public forum like the “public square” where practically no limits on speech and activity are permitted. We come together as a Christian communion – that part of Christ’s Body called “The Church of the Brethren” – which calls for some discipline as to the kinds of activity and information permitted. In academic and secular settings, constitutional rights and the need for stimulation of clashing ideas will be protected; at District Conference, we come as those already affirming that Christ is Lord and we are convened as the faithful people of God.

In light of traditional views about non-resistance, for example, it would be inappropriate to extend exhibition space to the Army recruitment office or events urging war or military action. Nor would it be appropriate to provide space and a forum for persons promoting atheism or the banning of Bibles. Clearly, some limitations for use of space are appropriate.

As the group charged with responsibility for planning and organizing District Conference activities each year, the District Conference Program Committee is faced with trying to establish appropriate limits. It has adopted the following statement of policy as to limits:

All information and literature distributed by exhibitors should be compatible with authorized District Conference activities and in support of the unity of the body. District Conference Program Committee reserves the right to restrict the distribution of information or literature which it judges threatens the unity of the body.

In some cases, like the examples used above, there are such clear Church of the Brethren statements or traditions that the correct decisions are easily made. In other cases, the decisions are not as clear.

The following guidelines will be applied by the District Conference Program Committee as it seeks to evaluate requests for space.

1. Priority will be given to exhibits of District and denominational programs and agencies which are directly connected to those programs which support the ideals, purposes, and principles of the Church of the Brethren.
2. All printed material will be distributed to the delegates and to others within the arena where business is being conducted only by Conference appointed tellers and ushers and with the approval of the District Conference officers.

3. No person or group, other than District Conference Officers or District Board of Administration is to distribute literature or use space in the Conference facilities except by authorization of the District Conference Program Committee.
4. No person or group having authorization for space or distribution of literature shall extend the use of that authorization to others or use it for the distribution of literature of others without prior consent of the District Conference Program Committee. Unauthorized use of space may cause the forfeiture of the right of the authorized user.
5. Unless literature or other information is clearly similar to materials or information traditionally distributed by exhibitors at District Conference, it must be cleared by the District Conference Program Committee.
6. The Program Committee may restrict or exclude exhibitors or materials which:
 - Conflict with Annual and District Conference statements;
 - Appear to lobby for particular action on business pending at District Conference (this is not intended to prevent the distribution of information on the issues);
 - Disrupts or threatens to disrupt the Bond of Peace, the Unity of the Body, by personal criticisms, disparagement of others, or lack of kindness to those with differing views;
 - Goes beyond the scope of activities for which the particular exhibitor or organization is authorized.
7. Sales are limited by those groups meeting the above standards and special approval from the District Conference Program Committee 60 days prior to District Conference. Groups selling articles will accept full responsibility for the security of the items and any monies involved.
8. Any objection to decisions of the District Conference Program Committee can be appealed, in writing, to District Executive Board. The decision of the District Executive Board is final.
