Condor Challenge is Bakersfield's only ropes challenge course and outdoor climbing tower. Located on the grounds of California Living Museum, Condor Challenge adds another exciting attraction to the zoo.

The program consists of both low and high ropes elements, as well as a 32-foot climbing wall with a minimum of four distinct routes.

Condor Challenge is suited for both small and large groups who wish to engage in a fun-filled day of team-building designed to foster trust, self-confidence, determination, cooperation, communication and agility.

Condor Challenge subscribes to the philosophy of **Challenge by Choice**. That is, participants are encouraged to partake in all activities, but no one is forced. Individuals choose the level and extent of their participation. Healthy risk taking is an integral part of the learning process. Excursions are adapted to meet the needs of individuals and groups.

## Genesis 1:26-28 (NRSV)

<sup>26</sup> Then God said, "Let us make humankind in our image, according to our likeness; and let them have dominion over the fish of the sea, and over the birds of the air, and over the cattle, and over all the wild animals of the earth, and over every creeping thing that creeps upon the earth."

<sup>27</sup> So God created humankind in his image, in the image of God he created them; male and female he created them.

<sup>28</sup> God blessed them, and God said to them, "Be fruitful and multiply, and fill the earth and subdue it; and have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the earth."

## Youth Covenant

It is understood....

-We all want to have a good time at this event and leadership will be supervising youth at all times during the event.

-While attending, I agree to participate with others in all planned activities, and to cooperate with leadership.

-It is expected that cell phones will only be used for emergencies. Please plan on "powering down" and placing them somewhere safe unless directed otherwise.

-Separate sleeping quarters will be provided for males and females and those boundaries will be strictly maintained.

-If you plan on driving yourself, please plan on keeping your car parked until after worship Sunday.

-Have a positive attitude, encourage fellow youth, foster an environment of love, kindness, and respect
