The Moderator-Elect is charged with convening the PSWD's Nominating Committee and chairing its meetings. I was new to the process, but other members of the committee, the moderator, and the district executive all contributed valiantly to finding the slate of candidates we are presenting to this virtual district conference. Committee members spent hours on the telephone and email finding sisters and brothers in our district who were both capable and willing to serve the District in offices and on committees that help keep the PSWD running so well. The clerk had the important responsibility of collecting the personal information that is listed with each candidate on the ballot. The man

on the Front Desk made sure that the candidates' names and information were collected on time and properly recorded.

With the shelter at home recommendations resulting from the corona-virus pandemic, we conducted all of our meetings through Zoom online conference software. This was also an efficient and effective way to save time and money. Zoom has been so successful and easy to use that it seems unlikely that any PSWD Nominating Committee will ever choose to meet in person again. Although we would like to see each other face to face, it is more important to use our time and the district's funds to continue the work of Jesus more directly. We met only one time around a table, at district conference in Scottsdale last November, and then virtually on the fourth Monday of the month starting in February and ending in June. At committee meetings members shared the names of possible candidates for each open position and then volunteered to contact prospects to see whether or not God was calling them into service of our district. The committee was fortunate to find a very capable slate of candidates before the opening of July.

Respectfully Submitted,

Al Clark, Moderator-Elect
