Norma Sexton: Age: 65 Congregation: Prince of Peace

Vocation: Retired pharmacist and active orchestral musician

Church Experience: I serve my local church as Financial Secretary and as a leader for worship and education programs. I have served several terms on the District Policy Board and am completing my current term as Chair of the District Ministry Commission.

Vision Statement: My vision for the District is to support the local ministers and congregations in their worship and ministry programs, to learn from each other and to be inspired to venture into new ministries that will advance the cause of Christ in the communities where we are planted.

Standing Committee Delegate (vote for 1) & **Alternate** (vote for 1): are elected by the District Conference to serve a 3 year term representing the district on Annual Conference Standing Committee, and are eligible to serve on additional term. <u>Delegate</u>

Shawn Carothers: Age: 59 Congregation: Circle of Peace

Vocation: High School Science Teacher

Church Experience:

I am on the Leadership team at Circle of Peace in the role of Chair of Property and Plant Maintenance. I am on the Ethics committee for the Pacific Southwest District. I have served as a delegate and table facilitator at several Annual Conferences over the past decade or two.

Vision Statement: As a new member of Standing Committee I hope to bring a fresh set of eyes and ears to the wider church discernment process. I look forward to helping craft a new direction for the denomination as a whole, a direction where we focus on "being Jesus" in the diverse communities our individual congregations serve. Our denomination not only needs vision, but also, tangible resources that our brothers and sisters across the country and the world can call upon as they serve and welcome those around them. I look forward to the day where the majority of church business is focused on empowerment and training of our clergy and laity and much less on the in-fighting over a handful of theological differences. Being a Christ focused denomination is one of our greatest strengths. Enabling others to welcome and serve their neighbor is my vision for the wider church.

To me, another way of living means loving our neighbors, whoever and wherever they may be, as ourselves. Another way of living means to value all life with compassion. Vocation: Pastor

Church Experience: After a 7 year absence

from local pastor ministry, I was pleased to accept the call to pastor Papago Buttes Church of the Brethren in Scottsdale AZ in May 2021. I had been a frequent guest speaker there for several years, so I wasn't a complete stranger in accepting the role.

I didn't grow up in the Brethren system and so one of my goals was to make sure I've become as acclimated as possible and have attended one virtual and two in-person Annual Conferences, as well as the virtual and last in-person District Conference. I've also taken three TRIM classes on Brethren polity, history and theology. I've continued to get to know several other Brethren pastors at these events, along with connecting with others via Facebook and Zoom.

Vision Statement: Being a youth leader who helps as many people as possible realize God's power. I want to be a leader who can speak up and who can help the board also see things through the side of the youth in order to support the growth of the Church of the Brethren and make it a welcoming, joyous, and inspirational place for leadership and outreach. **Pacific Southwest District**

2024 Operating Budget and Church Planting Support Budget, and 2025 Operating Expense Maximum

In the pages that follow you will find the proposed 2024 PSWD Operating Budget, the 2024 Church Planting Support Budget, and the recommended 2025 Operating Expense Maximum from the Policy Board.

The District overall is in a good financial position. Investments we hold with Eder Organizational Investing are still over \$4 million at the time of this report. Over the last five years this has grown from \$2.7 million invested to \$4.4 million. In 2021 we pulled \$500,000 out of the market to provide the cash to cover the planned operating deficit. Through the years our investments have provided the needed resources for us to carry out the ministry and program that is the work of the Pacific Southwest District Church of the Brethren.

2024 PSWD Operating Budget

In the spreadsheets that follow is the proposed 2024 District Operating Budget. The Policy Board is recommending a budget expense of \$477,521. This is an increase of \$18,000 from the 2023 District Operating Budget, and on target with the 2024 Operating Expense Maximum set at last year's District Conference.

Areas of increase are found in:

- Pastoral Leadership & Support (\$6000 additional) with additional funds for the retreat, training, and the Ministerial Ethics workshop (every five years).
- District Empowering Ministry (\$2000 additional) reflecting increased costs related to gathering various district committees and boards.
- District Operating Ministry (\$10,000 additional) reflecting salary increases for staff that follow the denominational COLA recommendations, and anticipated increases to health insurance.

The anticipated deficit for 2024 is \$324,721, in line with the actual deficits of 2022 and budgeted deficit for 2023. These are 8% higher than the optimal operating deficit of \$300,000 that the Board had articulated in 2016 and reaffirmed over the years.

2024 District Operating Budget Notes

Commitments

- <u>Ministry Partnership Funds</u> Key in this area are funds to support vital ministry in communities whose mission is with those who are on the economic margins. This is where the highest portion of this budget is expended. \$45,000 is marked for this work in 2024.
- <u>Ministry Training and Minister Support</u> Our work with providing training for those called into ministry continues to grow, and as some students finish their work other students are just beginning. It is a vital partnership the district support of ministry training that seeks to ensure we have strong pastoral leaders for the years to come.
- <u>Congregational Mission and Transition Support</u> The work of our District staff represented in the Operating Ministry portion of the budget plays key roles in helping congregations in connecting to resources, supporting Boards and pastors, and working with congregations in pastoral transitions or evaluating future steps in ministry. Funds here also support the training of our Spanish speaking pastoral leaders.

Budget

2024 Church Planting Support Budget

There are currently four active Church Plants in the district (Las Vegas, Los Banos, Pasadena, and Waterford). The budget for church planting in 2024 is \$89,250. These funds are used in a variety of ways depending on the needs of the various projects including church resourcing, utilities and facility cost assistance, and tax support.

The funds for this come from the proceeds of sales of former district properties (primarily New Harvest Lindsay and Koreatown).

Action Item: The Policy Board recommends to the District Conference the adoption of the 2024 Operating Budget and the 2024 Church Planting Support Budget as presented.

2025 Operating Expense Maximum

The recommendation for 2025 of \$495,000 is a \$17,000 increase over the 2024 budget. The Board will work hard to keep focused on priorities and to bring back a strong plan that prioritizes needs and works to be fiscally responsible.

Action Item: The Policy Board recommends to the District Conference that the expense maximum for the 2025 Operating Budget be \$495,000.

Action to Disorganize the Iglesia de Cristo Sion Church of the Brethren

The Cristo Sion congregation has been a part of the District since 2008. They were recognized as a congregation at the 2016 District Conference. Originally the church met for worship in the Pomona Fellowship church building. When that facility was sold in 2020, the congregation was invited to continue in ministry at the Glendora congregation's facility. Early in 2023 the shared facility use was no longer working satisfactorily and Cristo Sion needed to find a new base for ministry. The group had an offer to come into the facility of a Mennonite congregation in Upland and merge the Cristo Sion group into a new Spanish language ministry of this church. The district and the pastors talked during this time and Cristo Sion's leadership chose to leave the Church of the Brethren. For all involved in the conversations it has been sad to see the Flores' and this congregation leave. We wish them peace and joy as they make this move. ¡Que Dios bendiga su ministerio! (May God bless their ministry!)

Action Item to District Conference: The Policy Board recommends to the District Conference that the Iglesia Cristo Sion congregation be disorganized, with regret.
